ABOUT THE DPIIT IPR CHAIR

The Scheme for Pedagogy & Research in IPRs for Holistic Education & Academia (SPRIHA) was launched in the year 2016 by the Department for Promotion of Industries and Internal Trade (DPIIT), Ministry of Commerce and Industry, Government of India. The IPR Chair was established under the scheme at selected Universities in India and MNLU, Nagpur takes pride in being one for them. The chair was established to fulfill one of the objectives of the National IPR Policy of the Government of India which was to ‘Strengthen IP Chairs in educational institutes of higher learning to provide quality teaching and research, develop teaching capacity and curricula and evaluate their work on performance-based criteria’. The Objective of the National IPR Policy is to strengthen the IPR framework of the country. The plan under the initiative of ‘AatmaNirbhar Bharat’, is to create more local brands and take them at a global outreach and Intellectual Property Rights play a key role in it. To achieve the objective of ‘AatmaNirbhar Bharat,’ the DPIIT-IPR Chair is organising several activities such as launching online programmes to increase awareness, seminars, expert lectures for imparting knowledge on the process of acquiring IPR, etc. with an intention to help the participants become self-reliant.
